

FY23 Missouri Lottery Proceeds Appropriations

Since 1986, the Missouri Lottery has contributed more than \$7.5 billion to the state of Missouri and public education. Annual Lottery contributions comprise 3-4% of the state's funding for public education – an effort shared by local, state and federal governments.

For fiscal year 2023, more than \$388 million from Lottery proceeds have been appropriated to Missouri's public education programs by the Missouri Legislature through House Bills 3002, 3003 and 3006 from the Second Regular Session of the 101st General Assembly. The following is a list of programs that will receive Lottery proceeds.
